

Dragon's Den Project and the pay back of monies. Per your request, we also e-mail sent by Brenda to Phil Whitaker and the CSI Board. My apology responding sooner as there were members absent that needed to correspondence before I wrote this letter.

Due to the fact that CSI will not be continuing this project with you, Directors takes the position that the monies donated to this project on behalf (in excess of \$15,000) were given to accomplish the goals of the Dragon's Den Project. To the termination of this project, we are responsible to return these monies to the donors.

The position of the CSI Board of Directors is to appeal to you to be a witness to the Father in Heaven desires. Those who love Him should be at peace with Him. *"Blessed are the peacemakers, for they will be called sons of God."* (Matthew 5:9) The desire of the CSI Board is always to be committed to God's Word. He wants us to be a witness to the darkened world. So we come before you without guile, sincerely seek what the gospel of John proclaims, *"I have told you these things, that you may love one another, that the world may know that I have loved the world. Me you may have peace. In the world you will have trouble. But take heart, overcome the world."* (John 16:33)

Dana, please prayerfully consider this appeal as we strive to bring the Kingdom of God, Creator, Jesus Christ.

Sincerely,

Tom DeRosa
President
